Web Announcement 1643

Future Updates to Nevada Medicaid Online Provider Enrollment Portal

The Division of Health Care Financing and Policy (DHCFP), in partnership with the Fiscal Agent, is currently working on an enhancement to the Online Provider Enrollment (OPE) Portal to allow all provider enrollment applications to be electronically signed. This enhancement, due to be implemented on August 20, 2018, will help simplify the provider enrollment, revalidation, and the change/update processes. A future web announcement will contain detailed information for providers to take advantage of these enhancements.
